worthwhile

I am more than my disorder.

Recovery is worth it.
You are worth it.

weareworthwhile.org

I am worthwhile.

Recovery is worthwhile. Recovery offers a new way of life. It offers hope.

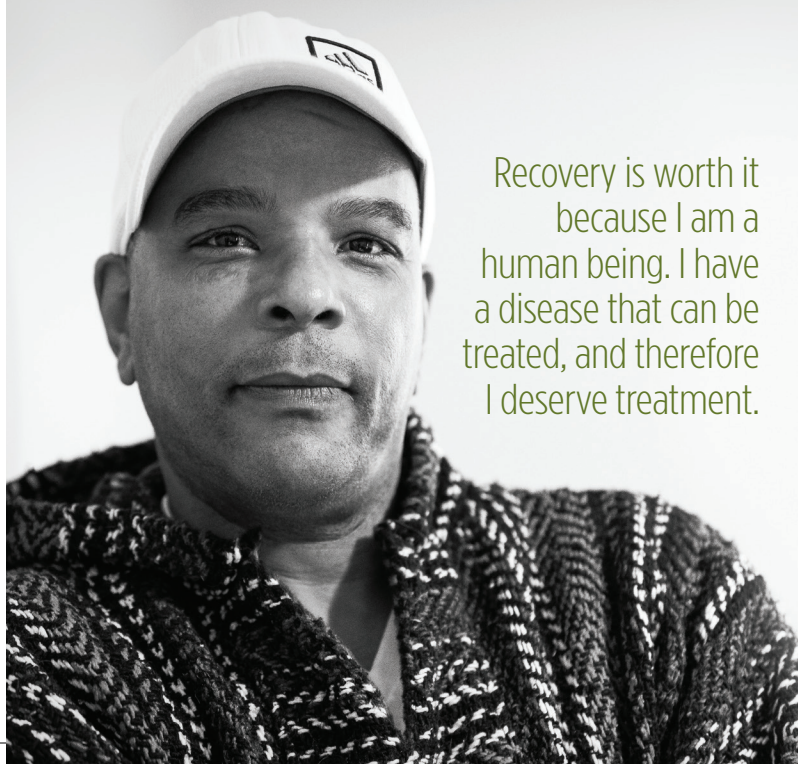

Recovery from substance use disorder is in reach. Your story is worth telling. And you are not alone.

Read our full stories at **weareworthwhile.org**, and get the judgment-free support that can change your life, with help from peers in Vermont who are in recovery.

Thousands of Vermonters have started on the road to recovery. It's never too late to start your journey. It's hard work, but it's worth it.

Contact us at **weareworthwhile.org**, or call or text **802.234.1550** to talk with a peer in recovery. **Call 911 in an emergency.**

Recovery is worth it because I am a human being. I have a disease that can be treated, and therefore I deserve treatment.

worthwhile

Today I am proud to be in recovery, to have survived substance use disorder. I found a new meaning in life.
